### Executive Menu

Whether you are planning a business luncheon or a company picnic, an at home dinner party or a family reunion, our menu is sure to please the most distinguished taste as well as the heartiest of appetites! We offer our original dishes along with a few traditional favorites in order to best serve you. From the most formal affair to a casual gathering, we will exceed your expectations!

With over 20 years combined experience, our staff is the most professional yet gracious you will find in the Mobile/Baldwin Area. We are proud to offer full service catering as well as delivery services. Additionally, we have a Banquet Room that accommodates up to 100 guests comfortably. You decide the venue and we do the rest! Our goal is to make your event enjoyable for both you and your guests.

With our full service catering option, we utilize our fully equipped catering trailers in order to prepare most of the food on-site. Your buffet will be beautifully displayed using our serving dishes and heated chaffers. When you choose our delivery option, your food is freshly prepared then packed and brought right to you. Buffet and family style dining are both available when hosting your event in our Banquet Room. Whichever options best suits your needs, we attend to every last detail; condiments, tea, paper products, hushpuppies & cheese sauce or rolls are always included!
